**Dear Ms. Reena Valecha:**

On behalf of Transocean, I would like to extend our appreciation for the Ergonomic training session you delivered for us on July, 16<sup>th</sup> 2013.

Attendees found the programme to be very helpful and gave them a new insight towards the topic and definitely helped in creating awareness in their minds towards the same.

We think you did an excellent job of providing them with useful information and helping them understand your concepts.

Thank you once again for such a thoughtful learning experience.

Sincerely,

**Deepti Thakre**
